NDASP VISION

Empowering all students to be successful

NDASP MISSION

NDASP empowers school psychologists by advancing professional standards and effective practices to promote healthy environments for all students and to improve student learning, behavior and mental health.

Erika Olinger, PhD, NCSP, BCBA-D

Dr. Erika Stevens Olinger was born and raised in Portales, New Mexico. She received her B.S. in Psychology from Colorado State University and her M.S. and Ph.D. in School Psychology from Oklahoma State University. Dr. Olinger is a Nationally Certified School Psychologist and a doctoral level Board Certified Behavior Analyst. She has worked as a school psychologist practitioner at Cypress-Fairbanks ISD in Houston, Texas as well as the Putnam City and Edmond school districts in Oklahoma. She was the Lead School Psychologist and Response to Intervention Instructional Facilitator for Edmond Public Schools. Dr. Olinger was the School Psychology Training Director and Clinical Director of the University of Central Oklahoma Learning & Behavior Clinic for four years. She is sought for her training, professional development, and consultation by school districts, school administrative teams, professional organizations, and the Oklahoma State Department of Education. Dr. Olinger is a member of several professional organizations and committees. She has served on the executive board (including two terms as President) for the Oklahoma Association of School Psychologists and is currently the Oklahoma Delegate for the National Association of School Psychologists and a Board Member of the Oklahoma Licensing Board for Behavior Analysts. Her research and professional interests include applied behavior analysis, academic and behavioral interventions, Response to Intervention implementation, crisis prevention and management in schools, and threat/ risk assessment. Dr. Olinger is currently an Assistant Director of Special Services for the Putnam City Schools in Oklahoma City. She resides in Edmond, Oklahoma with her husband (David) and children (Luke and Elyse) where she enjoys playing the flute, gardening, and constant reading.

Tamara Waters-Wheeler, Ed.S, NCSP

Tamara Waters-Wheeler is a school psychologist employed at Morton Sioux Special Education Unit in Mandan. She has 25 years of experience working with individuals with disabilities in a variety of capacities, the last 16 years as a school psychologist in a public school setting. Tamara specializes in working with students who present with behavioral and social emotional challenges and has an interest in teacher training for these areas. She is currently teaching Advanced Assessment at the University of Mary in Bismarck, ND. Tamara has been a member of NASP and NDASP for 16 years and is currently the NDASP President Elect. She is currently a member of the NASP Practice Model Revision Review Team. Tamara is also involved in the Council for Exceptional Children and the South Central Reading Council. Tamara resides in Bismarck with her husband, Jay and daughter, Izabela. Her oldest daughter, Miyah is attending her second year of college at NDSU.

Tammy Mayer, Ed.D

Dr. Tammy Mayer works for the North Dakota Department of Public Instruction as the Deputy Director of Assessment. She has 25 years of teaching and leadership experiences in special education in North Dakota schools. She has extensive knowledge of policies, procedures, assessment, and curriculum and instruction for students' with varying degrees of disabilities as a Special Education Teacher and as a former Special Education Regional Coordinator for the state of North Dakota. She has been with the North Dakota Department of Public Instruction since, 2015. She serves on several state wide committees that involve the implementation of Every Student Succeeds Act (ESSA, 2015) and is most recently the state lead on Quality Instruction for Personalized Learning initiative for North Dakota.
